Kent® Kwik and EZ Fill System Plus - KT15241

Kent Automotive's Kwik and EZ Fill System Plus Kits is a quick and easy filling system for charging reusable aerosol containers with chemicals such as brake cleaner and compressed air in seconds.

Kent's AERO-Miser™, air pressurized sprayer, holds up to 32 oz. of Kent® brake and parts cleaner which provides an economical alternative to standard 16 oz. aerosol products.

Economical Alternative to Aerosol Products

For every 55-gallon drum of brake cleaner you apply with the Kent Kwik and EZ Fill System Plus, you save the disposal cost on up to 600 aerosol cans.

AERO-Misers™ and Mounting Table sold separately. Not included with KT15241.
