

DTM Primer – OEM Color and Gloss

A direct-to-metal primer formulated to match OEM coatings and gloss for fast, easy touch-up of support rails, trunks and engine compartments.

- Matches OEM factory primers such as e-coats
- Easy-to-use aerosol with no messy cleanup
- Superior hiding
- Applies directly to metal for fast touch-up
- Can be topcoated if needed
- 16 oz. can size; 12 oz. net wt.

Includes Two Spray Heads

- 6-1/2 inch extra wide fan spray is ideal for high solid products, and increased productivity (black)
- 2-1/2 inch fan spray is preferred for optimal control and smaller surfaces (white)
