**Medium**

## Polishes, Waxes, and Swirl Removers

### Ceramic Single Step Polish

A revolutionary polish containing ceramic surface material for added vehicle protection.

This polish can be used as a standalone product or as an excellent choice for preparing any vehicle's surface for a Ceramic Detail Spray application.

- Cleans, shines, adds base ceramic finish
- Fine milled polishing agents
- Easy wipe off and no dusting
- Tight water beading

- 1636319** - 16 fl. oz. bottle
- 1636320** - 1 gallon
- 1636321** - Transfer Label

*Additional 16 oz. dispensing bottles available - 1636443*

### Body Shop Safe Polish & Swirl Remover

Designed to work as the final step over all leveling/compound products. This polish uses a blend of high-quality fine abrasives, VOC solvents, and oils that allow enough workingtime to remove micro imperfections from any painted surface.

- Removes light imperfections
- Contains UV absorbers
- Dust free

- 1636322** - 16 fl. oz. bottle
- 1636323** - 1 gallon
- 1636324** - Transfer Label

**BSS** Body Shop Safe

*Additional 16 oz. dispensing bottles available - 1636443*

### Gold Wax

An all-in-one product developed to clean, shine, and seal in one step. This wax uses fine milled polishing agents to give a consistent cut throughout the buffing cycle.

- Cleans, shines, seals
- Fine milled polishing agents
- Easy wipe off and no dusting
- Tight water beading
- Banana fragrance

- 1636328** - 16 fl. oz. bottle
- 1636329** - 1 gallon
- 1636330** - Transfer Label

*Additional 16 oz. dispensing bottles available - 1636443*

### Swirl Remover

Eliminates 2000+ grit scratches, oxidation, and buffs to a stunning luster. This product will not smear or swirl black glamour colors. Can be used with wool or foam pads, or by hand.

- Removes hairline scratches, swirl marks
- Contains no harsh abrasives
- Strawberry fragrance

- 1636325** - 16 fl. oz. bottle
- 1636326** - 1 gallon
- 1636327** - Transfer Label

*Additional 16 oz. dispensing bottles available - 1636443*

## Detail Sprays

### Ceramic Detail Spray

Used to add ceramic protection to automotive surfaces or as a standalone detailer. The unique formula delivers exceptional gloss and slickness to the treated surfaces, along with unparalleled surface protection.

- Used on both wet and dry surfaces
- Can be used as a clay lubricant
- Fast and easy to apply

- 1633821** - 16 fl. oz. bottle
- 1633822** - 5 gallon container
- 1634948** - Transfer Label

### Detail Spray

Used as a detail spray or a clay lubricant. Works well on all exterior surfaces, including paint, glass, chrome, plastic trim, and vinyl graphics. Uniquely engineered to leave vehicle surfaces with a slick finish that doesn't leave streaks or stained trim.

- Strawberry fragrance

- 1636173** - 16 fl. oz. bottle
- 1636174** - 5 gallon container
- 1636207** - Transfer Label

**BSS** Body Shop Safe

## Polishers, Pads and Accessories

### Tornador Random Orbital Dual-Action Polisher

Utilizes a 21 millimeter orbit that quickly levels, polishes, and finishes automotive paint, resulting in that deep gloss and shine without swirling and scratching.

- Utilizes a 6" hook and loop backing plate

- A. 1636433** - T21 Corded Polisher  
**B. 1636434** - T21C Cordless Polisher

### Euro Foam Pads

A four-pad system that is designed to be simplistic and easy to understand. These foams are denser than traditional foams, so the pad does not wear down as quickly and you get more consistency and a better final finish.

- 7 in. face diameter
- 6 in. loop diameter

- 1636436** - Use for heavy compounding  
**1636437** - Use for medium compounding  
**1636438** - Use for polishing  
**1636439** - Use for your final finishing product or wax

### Euro Fiber Pads

Utilizing a unique combination fibers, Euro Fiber Pads allow for greater defect removal and superior finishing.

#### 1636440 - White & Black

Light cutting and polishing with a single pad  
 Shorter fibers than other comparable products on the market

#### 1636441 - Black

Standard final length for a final finish  
 Excellent follow-up after using white and black pad for polishing

### Wool Cutting Pad

100% knit wool pad designed with the professional in mind. Use to help remove scratches from automotive finishes. The center hole assists with pad heat by providing a path for heat to escape. Additionally, the center hole helps with visually aligning the pad onto backing plates.

- Natural color
- Compounding application

**1636435** - Compounding, Natural in Color

### 3-Pocket Denim Apron

Durable cotton and polyester apron with three large pockets for quick access to cleaning accessories.

- Aprons protect cloths from splatters and stains while detailing
- One size fits all and includes an adjustable neck strap

**1636442**

### Tornador Polisher Tool Bag

The Tornador Tool Bag is the ideal way to house your Tornador Polisher and detailing products. This rugged, waterproof, padded polyester bag features a zippered, top-load design with durable handles, a padded shoulder strap, and a reinforced bottom.
